

Instructions for Assignment

In this assignment, you will be practicing the ordered and unordered lists in HTML that we learned in lecture 2

Make a list of your favourite marvel movies using HTML lists.

Instructions for Assignment

Make a list of your favourite superheroes using HTML lists as shown in assignment2

You are supposed to do nesting of lists and use ordered, unordered, list item, description list tags and other attributes in your page. Use all the tags and attributes which we have learned in the class.
